Voltage & Plug Adapters:

Electricity in United States of America / USA is 120 Volts, alternating at 60 Hz. If you travel to the United States of America / USA with a device that does not accept 120 Volts at 60 Hertz, you will need a voltage converter.

Outlets in United States of America / USA generally accept a two pin, flat blade plug with one opening larger than the other to accommodate polarized plugs.

Flat blade plug

If your appliance's plug has a different shape, you may need a plug adapter.

Health and Safety

Travel to/from USA

Delegates travelling to the USA are no longer required to provide proof of a Covid-19 vaccination. If the travel restrictions to the USA change before the meeting takes place, we will inform delegates of the situation and, if necessary, revert to a virtual meeting for all delegates. It is recommended that delegates check return re-entry requirements including any required quarantine period.

Closing Remarks

I look forward to seeing you in beautiful San Diego.

Yours sincerely,

Alfred Asterjadhi, PhD.
Principal Engineer, Qualcomm Technologies, Inc.
