

IEEE 802.1 Interim Meeting

September 2015

The September 2015 Interim meeting for IEEE 802.1 will take place at Broadcom's Zanker 1 facility at 3151 Zanker Rd, San Jose, CA 95134. There is NO meeting fee, and lunches are included. We are very close to the San Jose airport (SJC) and about 45 minutes from the San Francisco airport (SFO). People normally drive around here, but we are fortunate to be only one (long) block away from a pair of stops on the VTA light rail line so mass transit is an option. Here is a link to a Google maps page that includes walking directions from the stops to Zanker 1, and markers for the entrances to our parking areas if you do choose to drive:

<https://www.google.com/maps/d/edit?mid=zqNQpf0vLgLI.kRNnAGyWyrx0&usp=sharing>

You will have to find your own lodging, but I find Kayak to be a reasonable source of recommendations. Note that I already inserted default dates, so make sure you change them if you have different plans:

<http://www.kayak.com/hotels/San-Jose,CA-c11228/2015-09-07/2015-09-11/2guests>

There is a registration page at:

<http://ieee802dot1sept2015.brownpapertickets.com>.

Registration is important!
(please register by 31-August-2015)

That way I can ensure that the right rooms for the various TGs are conveniently located and attendees can indicate preferences for lunch.

If you have any questions, please send email to mikejt@broadcom.com.
