IEEE

Use of Git Repository

- Currently document on process
- We currently have this documented
  - How the Repository Works

IEEE

Repository Restructure

l Suggest we move to that structure as a first step

- l Need to update the check.sh scripts and readme files and tell the YANG Repository people about the new path structure

l We need a "published" directory

l Moving forward we need to continue the discussion on how to handle modifications to published YANG modules

IEEE

New Structure

Below is the structure of the IEEE portion of the repository.

◆IEEE

Open Source Impact

- Review the Open Source Impact Information
- Build support for continuing with Industry initiatives such as the YANG Catalog/YANG Repository
- Discuss ways to address the issues related to considering YANG Models as Source Code
  - The YANG Repository can be considered a repository, not really an open-source collaboration area
