Directions

Limo Service: Durham Limousine Oshawa, Ontario
Phone: (416) 433 7890
or
any limo-service at the airport

Pick-up from Pierson International Airport, Toronto
to Holiday Inn, Oshawa

Capacities:             Stretched Limousine 6 passengers
                     Sedan Limousine     4 passengers
Cost:                  Stretched Limousine CA$ 84.00
                     Sedan Limousine     CA$ 68.00

How to hail a limo at the airport:
- look for "passenger pick-up/drop-off area" at your terminal. There are two
  Terminals at the airport named accordingly, Terminal 1 and Terminal 2. Each
  Terminal will have its own "pick-up/drop-off area".
- look for a Doorman/Commissioner (he should be in an appropriate uniform for
  ushering people in and out of cars)
- If you have arrangements to be picked up by Durham Limousine then tell the
  Commissioner you are expecting to be picked up by Durham Limousine and he
  will notify you when the limousine arrives
- If you have not made arrangements to be picked up then the Commissioner will
  hail a limousine from a compound (about 5 minutes wait). The Commissioner
  will usher you into the limousine once your limousine arrives.

NOTE: For those wishing to use a daily chauffeur service between the
Hotel and the Car Assembly Complex we give the following
cost estimate:
for 21 people performed by a stretched limousine (3 times 7
passengers, total time for the 3 trips 45 min) cost will be CA$ 180.00 per day. If less people use the service the price is
unknown but will be based on an hourly rate of CA$ 92.00.
Make sure to request the service from Tom (see on page 1) if
you need the service.

To compare, a rental car will cost about CA$ 250.00 for a
week.
