**Tentative Minutes of the PHY Meeting
held in West Palm Beach March 6-9, 1995.**

IEEE802.11 PHY MEETING - MARCH 1995

In the opinion of the PHY Vice Chair, Jim McDonald, the priority of the issues facing the individual PHY groups was such that it was not appropriate to call for a PHY meeting in March 1995. The PHY minutes from the November 1994 meeting, doc 94/278, and for the January 1995 meeting, doc 95/08, were approved by the full Plenary on March 9, 1995.
