

## Editors' Report

- **Draft 1.2 is available on the file server:  
6draft12.zip and 2draft12.zip**
  - Incorporates the results of all letter ballots
- **A second file of the individual sections is also available on the server: 6dr12sct.zip**
  - The individual sections are to be used to provide the official changes to the editors
  - Each document is "protected" for revisions, allowing changes to be incorporated from several sources without requiring manual editing (using Word 6 merge revisions capability)
  - Create a separate submission file
    - » Paste only what you need from the section file into your submission to save paper/bits
