Starting: Monday, September 8, 8:30 AM

Through to: Friday, September 12, 5:00 PM

With **a joint meeting with ETSI project BRAN** on Wednesday September 10, 1997

HOTEL ACCOMMODATIONS

We have made a block reservation for guest rooms at the hotel, subject **to personal and guaranteed confirmation before August 15, 1997**. Rooms not confirmed may not be available!

Single room £ 105, double rooms £ 120 and triple occupancy £ 135. Those prices include Full English Breakfast, service and taxes.

MEETING ACCOMMODATIONS

For the meeting room, AV, the beverages and a buffet lunch, the hotel will **charge £ 47.-- per day**. For residents in the hotel, this is a charge on your hotel bill for each day that your stay coincides with the days of the meeting (September 8-12, arrive on Monday and you will get a charge for Monday AND Tuesday). For non-residents we will have to receive the amount from the non-delegate for each day he/she attends even a second.

Please note that the host commits to a number of reservations and thus needs your attendance and payment to defray their cost. Also, due to the hectic conference season (September and October) in London, there are commitments on the reservations you make.

Note from Chair: The price may seem high, but you do not need a rental car, thus saving you at least £ 100.--, the meeting is in the center of London and the poll I held on the reflector informed me that 11 out of the 13 reactions indicated the importance of the meeting made the higher cost acceptable.

Reservations

Please use the attached fax form to make your reservation.

Location

The Grafton Radisson Edwardian is located in the heart of London, at Tottenham Court Road near Euston Road. The best way to get there is by Underground, using the Warren Street station on either the Victoria or Northern lines. Estimated price is £ 6.--.

From Heathrow, take the Piccadilly line (the only line at the airport, buying a ticket for Warren Street) and change train at Green Park station. Take the Victoria line in the direction of Oxford Circus and King's Cross, end station is called Walthamstow Central.

Exit at Warren Street.
