## TRAVELING TO/FROM USA

Please take the steps to determine if you require a visa to attend a particular IEEE 802 Meeting. The requirements change from time to time. Because of this, we strongly urge all attendees to review the entry requirements for traveling to each IEEE 802 meeting location and determine for themselves, or in collaboration with their employer, what if any travel documentation is required.

**Border Services (Entry and Exit USA)** Everyone arriving at a port of entry to the U.S. is subject to inspection by Customs and Border Protection officers for compliance with immigration, customs and agriculture regulations. The following link provides useful information about entry to the USA.

**VISA and Travel Documents:** The following link may provide a starting place for your information needs:

<https://travel.state.gov/content/travel/en/us-visas.html>

**Letter of Invitation (IEEE Standards):** A letter of invitation is available to all registered attendees. Please use the link in your registration confirmation email to access a personalized letter of invitation.

**General Health and Safety Overview:** Local rules, restrictions and guidelines are expected to change rapidly as the COVID-19 situation evolves. IEEE's recommendation with respect to travel is to gather the information you need including referring to your country's consulate or state department for the most up to date information related to travel to your destination, and any countries where you may have layovers as part of your scheduled travel.
