

The Institute of Electrical and Electronics Engineers, Inc., has been designated by the ISO Council to act as the registration authority for the implementation of International Standards ISO 8802.

June 02, 2008

Attn: Vivek Gupta
IEEE 802.21
2200 Mission College Boulevard
Santa Clara, CA 95034
UNITED STATES

Following is the Ethernet Type Field that you have requested from the IEEE. Please take a moment to verify that the information contained in the company address area (above) is correct. If it is not entirely correct, please notify the IEEE immediately.

The Ethertype tutorial on our web site at:

<http://standards.ieee.org/regauth/ethertype/type-tut.html>

It should be stressed that the IEEE assignment committee has made every effort to ensure that there is no duplication of assignments, but does not guarantee that duplicate assignments have not occurred. We urge that all requests for numbers be administered by one person within your company.

Your Ethernet Type Field number is: #8917

For more information on the uses of your ethernet type field, please see the relevant standards.

Sincerely,

A handwritten signature in cursive script that reads "Angela N. Weaver".

Angela N. Weaver / IEEE Registration Authority
