

Managed Objects

Describe the plan for developing a definition of managed objects. The plan shall specify one of the following:

- a) The definitions will be part of this project.**
 - b) The definitions will be part of a different project and provide the plan for the project or anticipated future project.**
 - c) The definitions will not be developed and explain why such definitions are not needed.**
-
- The definition of protocol independent managed objects will be part of this project.
 - In addition it is expected that the definition of SNMP managed objects, through reference to the protocol independent managed objects provided by this project, will be added in a future amendment to, or revision of, IEEE Std 802.3.1 IEEE Standard for Management Information Base (MIB) Definitions for Ethernet.
