Agenda/Admin Peter Jones:

Meeting began at 9:05am PST

1. Reviewed the Attendance information related to the ad hoc.
2. Asked if we needed to review patent policy, no one requested review.
3. Reminded participants to indicate full names and employer/affiliation correctly for the meeting minutes.
4. Asked for corrections of draft minutes Mar31 or approval – approved without objection.
5. Presented the proposed agenda. No objections.

Presentations/Discussion

802.3bz Layers – Auto-negotiation – V2c Yong Kim

- *Reviewed AN background.*
- *Proposed one out of three options, pending coordination and feedback from 802.3bq.*
- *Looks like a subject to follow up in subsequent meetings, contributions encouraged, and presenters requested any feedback to the proposal.*

SCALING THE XGMII FOR 2.5/5GBASE-T - Howard Frazier

- Proposal presented (rapidly, we were running out of time)
- Some discussion about the best way to get this specified (e.g. modify clause 46 vs create new clause).
- Some discussion about other options.
- Looks like a subject to follow up in subsequent meetings, contributions encouraged.

Other Discussion:

- <none>.

Meeting closed – 10:13 am PST
