Tuesday, 12 May 2020, 12:00 (noon) GMT

Mr. Robert Grow, Study Group Chair called the ad hoc meeting to order. Mr. Grow recorded these minutes. Attendees above sent email to record attendance.

Mr. Grow presented the agenda. The agenda was accepted without objection. No participants requested that the copyright and patent slides be reviewed, so Mr. Grow then skipped though much of his “Agenda and General Information” presentation.

Mr. Grow reminded attendees that the principle purpose of the meeting was to here presentations.

Plinio Pinzon presented on “Feasibility analysis of different optical connectivity technologies”.

With time remaining , Mr. Grow reviewed the PAR and CSD comments from 802.11, and indicated that the two SG Chairs had agreed on a recommended response to the comment requesting the two project titles be more similar. He also reviewed the tasks for the 15 May SG meeting.

Participants requested better invites to calls to aid in getting things on their calendar. Mr. Grow indicated he would attempt to do better in including both a calendar item on meeting announcements and including call text information in announcement and reminders.

With no further business to conduct, the call ended at approximately 12:47 GMT.

MOTION

With no further business to conduct, the meeting was adjourned.
