

Meeting Minutes SCC18 Adhoc
March 29, 2017
1PM ET

Adhoc Chair reviewed agenda slides, covered the IEEE participation rules.

Working Group Chair will be adding Class D liaison to the Adhoc's charter. Announcement to be made with reflector announcement.

SCC18 website is set up. http://www.ieee802.org/3/ad_hoc/SCC_18/index.html. Chair pointed to the draft TIA/PI doc in the public area that will be reviewed at the next meeting.

Reflector is up, still working on archive. Announcement of the reflector will be made when archive is operational.

Webmaster to add Charter of group to webpage. David Law to provide the text.

Discussed logistics and timing of working between the IEEE, SCC18 and NEC/NFPA groups. It was suggested that IEEE consider submitting their own TIAs/PIs in small pieces instead of one big piece as being considered by the NEC PoE TG. George to work on showing the logical breaks in a new revision of the 'proposed changes to NFPA 70' document.

Having exhausted the agenda, the chair adjourned the meeting at 1:33pm.
