

Meeting Minutes SCC18 Adhoc  
October 25, 2017  
1PM ET

13:03 Meeting called to order.

Adhoc Chair reviewed agenda slides, covered the IEEE patent policy and participation rules.

Chair informs the group that minutes for the previous meeting are posted, asked if anyone that wanted to review the minutes hadn't had the chance to review, and asked if there were any changes to be made to the minutes. An update was requested and the Chair will make that change (1021 was transposed and should be 1012).

The Chair then moved into the main agenda for the meeting: continue to review the PIs submitted for NEC 2020 against the sections covered by CMP3. The file that was reviewed, along with notes taken on the PIs covered during the meeting can be found here:
