

Meeting Minutes SCC18 Adhoc  
November 29, 2017  
1PM ET

13:03 Meeting called to order.

Adhoc Chair reviewed agenda slides, covered the IEEE patent policy and participation rules.

Chair informs the group that minutes for the previous meeting are posted, asked if anyone that wanted to review the minutes hadn't had the chance to review, and asked if there were any changes to be made to the minutes. None responded. Chair instructs the webmaster to change the status of the 11/22/17 minutes to approved.

The Chair then moved into the main agenda for the meeting: reviewing the CMP3 work on PIs submitted for NEC 2020. The files that were reviewed, along with notes taken on the PIs covered during the meeting can be found here:
