

TIA TR-42 Liaison to IEEE

Val Rybinski

Chair, TR-42.7

Sterling Vaden

Vice-Chair, TR-42.7

April, 2006

San Jose, CA

TIA TR-42.7 Interim Meeting

- **Mar 28 - 30, 2006 in Savannah, GA**
- **3rd ballot for TSB-155 approved**
- **3rd ballot for '568-B.2-10 approved**

PN-3-0134-B, d4.0

- **TSB-155**
 - **Document approved for 30-day committee letter ballot**
 - **Ballot resolution scheduled to begin at June 2006 meeting**
 - **Since the TIA rules for publication of a TSB are much more lenient than for a Standard, it is possible that TSB-155 could be approved for publication at the upcoming TR-42.7 meeting in June 2006.**

SP-3-4426-AD10-B, d4.0

- **AD10 (category 6A)**
 - **Document approved for 45-day industry letter ballot***
 - **Ballot resolution scheduled to begin at June 2006 meeting**
 - **It is reasonable to approximate that the earliest that '568-B.2-10 could be approved for publication is February of 2007**

*** If ANSI publication schedule allows**

Availability of Drafts

- **Draft 4.0 of TSB-155 will be forwarded for posting to the IEEE 802.3an web site within the next two weeks**
- **Draft 4.0 of '568-B.2-10 will be forwarded for posting to the IEEE 802.3an web site within the next two weeks**

Submitting Comments

- **IEEE members are encouraged to review the drafts when they are posted to the FTP site**
- **Comments against both documents should be submitted before May 28th**
- **Comments can be forwarded to V. Rybinski, S. Vaden, and C. DiMinico for consideration in the resolution process**

Comment Form

- **Please use TIA's form when submitting ballot comments**
- **The TIA ballot form has been posted to the IEEE 802.3an FTP site**
