Subject: IEEE liaison letter response and draft update

Thank you for your continued support in assisting in the development of the 10GBASE-T link segment specifications.

The IEEE P802.3an Task Force appreciates the effort being made on the PS AELFEXT and PS ANEXT and looks forward to your response. In an effort to keep TIA TR-42 up to date on the status of the draft, please find attached the 802.3an Draft 2.2 subclause 55.7 (10GBASE-T link segment characteristics).

Sincerely,

Robert M. Grow
Chair, IEEE 802.3 Working Group
