

# TDD sub-Task Force Status Report

Steve Shellhammer (Qualcomm)

# Kick-off Meeting

- The TDD sub-task force held its first meeting Thursday January 24, 2013
- Heard presentation
  - Andrea Garavaglia and Patrick Stupar, “EPoC TDD (baseline proposal),” garavaglia\_02\_0113
- Several suggestions for edits were raised during the discussion. The author agreed with the suggested edits and will update the presentation
- The sub-TF discussed the tasks to be completed for TDD.
  - Based on this discussion the chair will generate a table of tasks, which can be used to track progress

# Conference Calls

- The TDD sub-TF agreed to schedule weekly conference calls
  - Mondays
  - 10-11 AM Eastern Time
- The chair will cancel a conference call if he does not receive a request to present by 5PM Eastern Time the Friday before the call

# Straw Poll

- Do you support document garavaglia\_02\_0113 with the changes suggested during the Thursday AM TDD sub-task force meeting, as a starting point for development of a TDD baseline?
- Yes 15
- No 0
- Need more detail 0
- Abstain 0
