

Task Force / Use Case Ad Hoc Update

IEEE P802.3bs 400GbE Task Force

John D'Ambrosia, Dell
San Diego, CA, USA
IEEE 802 July 2014 Plenary

Interrelations Between Technical Decisions

Task Force Ad Hoc Call

- Webex – June 4, 2014
- Thanks to Hugh Barrass, Cisco for hosting!
- 30 attendees
- Reviewed 1 presentation (by chair)
- Discussion on Task Force decisions and necessary information to move forward.
- Chair announced formation of two new task forces
 - SMF, Chaired by Pete Anslow
 - MMF, Chaired by Jonathan King
- Web - <http://www.ieee802.org/3/bs/public/adhoc/tf/index.shtml>

Configuration / Use Case Ad hoc

- Webex – June 24, 2014
- Thanks to Hugh Barrass, Cisco for hosting!
- 29 attendees
- 1 presentation (by Hugh)
- Summary – Reviewed presentation, which was a useful exercise to go through and make sure different proliferations of architectures over foreseeable implementations will work.
- Web - <http://www.ieee802.org/3/bs/public/adhoc/usecase/index.shtml>

Thank You!
