Sponsor ballot differences

- Initial Sponsor ballot scope is entire draft
- Only members of Sponsor ballot group can submit “Must Be Satisfied” comments (equivalent to “R” or Required)
 - Can only submit “Must Be Satisfied” comment if you have voted Disapprove
- Can’t use the same comment tool as WG ballot. Either:
 - enter comments one at a time through the MyBallot web interface
 - or download spreadsheet from MyBallot and upload as a batch
- Sponsor ballot has additional “G” (General) type comment
 - In addition to the usual T and E types
- Participation requirement is higher for Sponsor ballot
 - $\geq 75\%$ required to close ballot ($> 50\%$ for WG ballot)

Conditions for submitting to RevCom

- Sponsor ballot continues until the following conditions are met:
 - No substantive (technical) changes in the last recirculation
 - No new negative comments (TR/GR/ER) associated with a Disapprove ballot in the last recirculation
 - $\geq 75\%$ approval ratio
 - $\geq 75\%$ response ratio
 - $< 30\%$ abstention ratio
- When the above conditions are met the TF can request that the draft is submitted to RevCom and the SASB for final approval

Thanks!
