Resolve comments against Draft 3.4
  • Comment resolution agenda in later slides
  • TRs will require signoff as to whether commenter is satisfied

Editors have identified less controversial comments as candidates for a bucket motion. These comments will not be reviewed individually, but will be resolved as proposed via a single motion.

The initial list of comments for the bucket motion is on slide 9 (also marked “Bucket” in comments file) please review this and ask for a comment to be taken off the list if you don’t agree with the proposed response.
Comment resolution

• The comments on the following slides will be resolved in the interim teleconference call of the P802.3bs Task Force on 9 October.

• The order in which the comments are reviewed and the schedule are **subject to change**

• Comments bracketed together with [] cover a common topic
  • Where a comment number is coloured **blue** it contains the proposed response for the group of comments

• Comments with underline (e.g., **300**) have associated hyperlinked presentations.
