

Proposed Remedy for comment #106 clause 33.2.5.9 page 73 line 32

Replace: "PSEs shall issue no more Class events than the Class they are capable of supporting."

With:

"Type 1 and Type 2 PSEs shall issue no more Class events than the Class they are capable of supporting.

Type 3 and Type 4 PSEs shall issue no more Class events than the Class they are capable of supporting between the most recent time Vpse was at Vreset for Treset ~~PD-reset~~ and a transition to POWER_UP"
