RE: TR-42 Liaison to IEEE 802.3bz Task Force re TSB-5021 Draft 0.1d

Dear Mr. Chalupsky:

Please find attached draft 0.1d of our Technical Systems Bulletin, entitled *Guidelines for the Assessment and Mitigation of Installed Cabling to Support 2.5GBASE-T and 5GBASE-T*, to be published as TIA TSB-5021. Please note that this is an early draft and has not been subject to the TIA public comment process.

Sincerely,

Ray Emplit  
Chair, TIA TR-42 Engineering Committee
