

# Closing Report

IEEE P802.3ca 50G-EPON

Curtis Knittle  
CableLabs  
Salt Lake City, UT  
May 22, 2019

# Plan for next 2 months

- Launch WG ballot as soon as possible, Friday if possible
- Close balloting after 30 days (minimum) to allow for much time to resolve and discuss on bi-weekly meetings
- E.g., launch May 24, close June 24
- Cancel June 20 consensus call

**Thank you!**
