For IEEE 802.3cd

50GAUI C2C and C2M Baseline Proposal for 50G Ethernet

- 50GAUI-2 C2C and C2M, to be consistent with the latest CDAUI-16 but with an 8th of the number of lanes
- 50GAUI-1 C2C and C2M, to be consistent with the latest CDAUI-8 but with an 8th of the number of lanes

Next Gen CAUI C2C and C2M Baseline Proposal for 100G Ethernet

- CAUI-2 C2C and C2M, to be consistent with the latest CDAUI-8 but with a 4th of the number of lanes
