Ad Hoc: Next Steps

- Further work

Review contributions related to different areas of work of the group.

- Next meetings

Regular meetings will continue on a two week schedule following Bangkok using the same every 2nd Wednesday 7:00am – 9:00am PT timeslot

We are scheduled for the week after Bangkok, and I would normally cancel. There has been a request to swap weeks with 802.3ch Multi-Gig Automotive Ethernet PHY Task Force.

If this goes forward, it will be announced at the end of the week and on the reflector.

- Thanks to all ad hoc contributors and participants.

- Contributions and active participation are how we move this effort forwards.
