Comment Resolution Agenda

Preliminary

Matt Brown, Huawei, 802.3ck Editor-in-Chief

Introduction

- This slide package provides a preliminary view of the comment agenda once comment resolution starts.
- The editorial team is currently working hard to complete the proposed responses.

We are here...

154 comments

30 comments in bucket #1

124 comments to address

There are many repeat comments.

59 responses refer to other comments.

We are also recommending that 16 comments be deferred to WG.
