Meeting goals

- Resolve comments against D3.0
  - Comment resolution agenda in slide 9
  - Any presentations associated with comments will be reviewed during comment resolution
  - ERs, TRs and GRs require signoff as to whether commenter is satisfied

- Editor has identified less controversial comments as candidates for a bucket motion. These comments will not be reviewed individually, but will be resolved as proposed via a single motion

- The initial list of comments for the bucket motion is on slide 10 (also marked "Bucket" in comment summary files). Please review this and ask for a comment to be taken off the list if you do not agree with the proposed response

Comment resolution

- The comments in the following slide will be resolved in sessions of the P802.3cm Task Force starting on 9 September 2019

- The order in which the comments are reviewed and the schedule are **subject to change**

- Comments bracketed together with [] cover a common topic
  - Where a comment number is colored blue it contains the proposed response for the group of comments

- Comments (or names) with underline (e.g., <u>300</u>) have associated hyperlinked presentations
