Introduction

Thank you for the information letter sent to us regarding your activities in Q.12/15.

We have reviewed the Q.12/15 liaison letter #23 of January 31, 2003. Thank you for providing our members access to your drafts.

The Ethernet in the First Mile (EFM) Task Force would like to inform Q.12/15 of the work in EFM. We have just finished the review of IEEE P802.3ah/Draft 1.3 and will be issuing IEEE P802.3ah/Draft 1.414 shortly after this meeting. The draft is attached [1].

Proposal

We invite Q.12/15 and Q.3/13 to review our draft and provide us comments. We wish to continue the cooperation and mutual exchange of information as we each progress our standards.
