# P2MP Work Plan for Dallas

---

312 Comments on Clause 64/65  
(124 E, 136 T, 22 TR)

Almost all are clarifications and corrections

Items to be resolved:

- Timing - processing delay variation

- Messages – Discovery, IDLE time

- Registration – Default LLID

- SCB/Multicast – clarify support

Joint PMD Session on Laser Control, Timing
