Optical PMD Work Plan

- ✦ Select baseline proposal for 1G P2P.
- ✦ Select baseline proposal(s) for 100M SMF.
- ✦ Review common issues: BER, Link Model, OMA/ER.
- ✦ Improve consensus on P2MP burst mode timing values.
- ✦ Examine how well FEC can mitigate MPN in optical links.
- ✦ Present baseline motions to 802.3ah for approval.
- ✦ Editorial preparations for Optical PMD clauses of Draft 1.0
