Meetings Demystified

- 802.3 is growing
  - We're now the largest 802 WG
- 802 has two types of meetings
- **Plenary Meeting**
  - All of 802 meets (e.g. 802.1, 802.3, 802.11,etc.)
  - Three Plenaries a year: March, July and November
  - 802.3 Working Group meets Monday and Thursday afternoon
  - All SG and TF meet Tuesday, Wednesday and Thursday AM
    - Some TF may meet fewer than 2.5 days, e.g. Maintenance and MIB
  - Sometimes have joint sessions, e.g. 802.1 and 802.3
  - 802 is the meeting host
  - Wednesday evening social event (part of your Plenary fee)
  - Face-to-Face Events is the contracted 802 meeting planner
  - VeriLAN is the contracted 802 network services provider

Meetings Demystified

- **Interim Meeting**
  - Only 802.3 meets unless we are co-locating with another 802 WG
    - If we do, it's usually 802.1
  - Three Interims a year: January, May, and September
    - TF may schedule extra Interims to keep on timeline
  - **NO** 802.3 Working Group meetings
  - SG and TF meet during the week
    - Possible to schedule to reduce overlap, e.g. some TF Mon-Tue, others Wed-Thu
  - May take five days---we're getting busy and big!
  - The meeting host is a participating company or other non-802 entity
  - Typically no social event---if there is, the host must pay for it
  - May have no meeting planner, in-house meeting planner or contract with outside meeting planner
  - Host is responsible for meeting network and A/V
