Move to:

1. Accept resolution of comments against D3.0

2. Direct editor to create a new 802.3ab draft reflecting the comment resolution for working group ballot

3. Direct the chair to report to 802.3 that the task force believes that 802.3ab is ready for working group ballot.

4. Direct the chair to request 802.3 to approve a working group ballot for 802.3ab.
