
IEEE 802.3ar Task Force

Report to 802.3 Closing Plenary

Short, small meeting

- Consensus to do nothing with PAR or draft
- Consensus to leave project on administrative withdrawal list
 - Request from 802.1 for supporting work is unlikely
 - Queries about the project have primarily been for work in the scope of 802.1 Data Center Bridging
- Consensus that any future meetings will be called only if WG Chair determines it is justified
