Date	Group	Contact	Duration
Monday, 23-January	IEEE P802.3.1 Ethernet MIB Task Force	Howard Frazier	All day
	IEEE 802.3 Maintenance Standing Task Force	Wael Diab	13:00 - 18:00
	IEEE 802.3 Industry Connections Ethernet Bandwidth Assessment Ad Hoc	John D'Ambrosia	19:00- 21:00
Tuesday, 24-January	Next Generation 100Gb/s Optical Ethernet Study Group	Dan Dove	All day
	IEEE 802.3 Maintenance Standing Task Force	Wael Diab	All day
	EPON PHY for Copper Study Group*	Howard Frazier	All day
Wednesday, 25-January	Next Generation 100Gb/s Optical Ethernet Study Group	Dan Dove	All day
	IEEE 802.3 Maintenance Standing Task Force	Wael Diab	All day
	EPON PHY for Copper Study Group*	Howard Frazier	All day
Thursday, 26-January	P802.3bj 100 Gb/s Backplane and Copper Study Group	John D'Ambrosia	All day
	Extended EPON Study Group	Marek Haiduczenia	All day
Friday, 27-January	P802.3b100 Gb/s Backplane and Copper Study Group	John D'Ambrosia	All day
	Extended EPON Study Group	Marek Haiduczenia	All day

Message from Meeting Planner

- Thanks to John and the EA Board of Directors for hosting the January Interim, and asking me to assist
- If you plan to attend the Interim, please make hotel reservations before relaxing to enjoy upcoming holidays
 - Reserve early to ensure guestroom availability
 - After room block cutoff on 4-January, \$149 group rate expires
 - After 4-January any unsold rooms in the block revert to the hotel
 - If possible, make reservations in November or December
- Email Lynn@LNKennedy.com for assistance
 - Visa letters
 - Registration questions
- I look forward to seeing you in January
