

Comments on P802.3de PAR & CSD

From 802.1

PAR

5.5 Need for the Project:

- IEEE Std 802.3cg-2019 is referenced, but no document title is provided in Section 8.1.
 - Per PAR guidelines, the title and (if appropriate) date of any document referenced shall be listed in the Additional Explanatory Notes
- The reference to IEEE 802.1 TSN is ambiguous.
 - Change “IEEE 802.1 TSN” to “frame preemption as specified by IEEE Std 802.1Q and the generalized precision time protocol as specified by IEEE Std 802.1AS”.
