# Welcome to NY Capital District

# Welcome to NY Capital District

# Welcome to GE Research

Sprawling campus on the banks of Mohawk River  
Original headquarters, established in 1900 by Thomas Edison

# Welcome to GE Research

# Travel Logistics

## Transportation

### By Plane

- GE Research Center is 15 mins (8 miles) away from Albany International Airport (ALB)
- ALB has many connections from New York, Washington, Atlanta, Chicago, and other major hubs
- <https://www.albanyairport.com/>

### By Train

- Amtrak trains from major cities including New York, Boston, Washington, etc.
- <https://www.amtrak.com/home.html>

### By Car

- Use your favorite mapping app to get to “1 Research Circle, Niskayuna, NY, 12309”
- Rideshare companies active in the area

## Lodging

- Typical business hotel room block will be provided
- *Estimated* room rate with continental breakfast and Wi-Fi - \$110 to \$120 per night
- Cancellation policies set by the hotel

# Protocols and Policies

## Visitor Access

- Visitors will receive a visitor badge to be worn on site
- Attendees will have access to the “conference area” where meeting will be held
- Non-US persons must provide a copy of passport and business card and complete a “Foreign National Data Consent form” prior to the visit

*If you are U.S. Citizen, Permanent Resident, Temporary Resident, Asylee, or Refugee, you are a “U.S. person” under 8 U.S.C. 1324b(a)(3).*

## COVID Protocols

- Verification of vaccination status is required. If unvaccinated, unable to provide vaccination for COVID-19 or if unwilling to share vaccination status, you will undergo site COVID19 screening procedures (e.g., temperature check). Subject to change.
- All visitors must adhere to site COVID policies
  - Currently, no face coverings are required
  - Previous policies required face coverings unless maintaining 6 ft distance
