---

We are pleased to inform you that at our 6-17 December 2021 plenary meeting, ITU-T SG15 has initiated the final approval process for the following:

- Draft revised Recommendation ITU-T G.8012/Y.1308 (also superseding Recommendation ITU-T G.8012.1/Y.1308.1 (12/2012));
- Draft revised Recommendation ITU-T G.8021/Y.1344; and
- Draft Corrigendum 1 to Recommendation ITU-T G.8032/Y.1344 (2020).

Together, the two draft revisions supersede Recommendation ITU-T G.8021.1/Y.1341.1 (10/2012).

All three drafts are [attached](#) for your information and are not to be shared outside your organization.

ITU-T SG15 would like to express its appreciation for the continued useful exchange of information on Ethernet standards and looks forward to further interaction between our organizations.

ITU-T Q10/15 will next meet 19-30 September 2022.

**Attachments:** TD798R3/P, TD797R1/P and TD751R1/P.
