Intellectual Property Statement of Digcom, Inc.

Digcom, Inc/Dr. Feher Associates  
44685 Country Club Drive, El Macero, CA 95618, USA  
Tel/Fax 916-753-1788

Following Intellectual Property Disclosure Doc. IEEE 802.11 - 93-139, suggestions of IEEE 802.11, committee members and organizations the following statement is submitted:

Product improvement, technology transfer updates, continued consulting and training will be made available to all members of the "FQPSK" consortia and alliances. Lowest cost royalty options apply, without the announced deadlines in:

"FQPSK consortium: License options, Course, Consulting, Technology Transfer for IEEE 802.11, PCS and other emerging standards", open letter and invitation to IEEE 802.11 members, dated February 3, 1994. Mutually beneficial FQPSK technology transfer consortium membership and alliances are available to all organizations, companies and individuals. For detailed information package contact Kamilo Feher.
