In addition to the restaurants and shops along the riverwalk, and in the adjacent Rivercenter Mall, a number of San Antonio's other attractions, including the Alamo, Tower of the Americas, La Villita, and the Institute of Texan Cultures, are within walking distance at street level. Most other area attractions are within a 10-mile radius. The location of the hotel in relation to San Antonio International Airport and the major highways in central and northeastern San Antonio is shown on the map below.
