What we need is a letter stating the following:

I change my negative vote on the IEEE P802.11 D5.0 LMSC ballot into a positive vote

Name:

sign:

date:

Send a fax to +1 407 724 7470

phone for messages: +1 407 724 7473

Send copy to:

Carol Buonfiglio
IEEE Standards Office
+1 908 562 1571

If the voter is not ready to give a change of vote for all comments, ask for a change for all but [the left over no-vote comment] in writing.
