The details of the votes is given in the table on the next pages.

The comments received on 802.11rev/D2 is provided in doc.: 98/88.

The comments received on 802.11c/D2 is provided in doc.: 98/89

The next step is to address all comments and decide whether the new version would have had technical changes:

- without technical changes, we could start the Sponsor Ballot,
- - with technical changes, we have to recirculate the specific technical change.
