

## **Letter Ballot 42 Voting Requirements**

This is a recirculation ballot to those who were voters of record on Letter Ballot 39 so the rules are slightly different. A copy of the voting list for Letter Ballot 39 is listed below.

1. Default Recirculation ballots
  - a. If you already voted "Yes" on the subject or you changed your vote from "No" to "Yes" in writing:
    - i. You do not need to vote again unless you want to.
    - ii. You may submit a "No" vote, but only based on text that was changed after you voted "Yes" or text that was impacted by text that was changed after you voted "Yes" or based on comments on technical matters that were not resolved adequately.
  - b. If you already voted "No", and your comments were not resolved you are kindly requested to analyze the revised draft
    - i. Vote "Yes" if all your concerns are solved,
    - ii. Otherwise, vote "No" again and REPEAT the comments that were not solved to your consent, indicating why the group's rebuttal is not acceptable to you. You may add additional comments constituting a "No" vote, but only based on text that was changed or text that was impacted by text that was changed.
  - c. If you did not vote or you abstained, you may vote this time with a valid vote or abstain again with a valid reason.
