Dear Mr. Kim,

The IEEE 802.16 Working Group appreciates your kind invitation (which we have numbered L802.16-09/0082) to a Joint ARIB, IEEE, and TTA leadership meeting for IMT-Advanced on 30 August.

We agree that the meeting and agenda are very appropriate, and we appreciate your foresight in proposing it. Please note that additional information has been provided to TTA and ARIB in statements L802.16-09/0080r1 and L802.16-09/0081r1, respectively.

We expect that Roger Marks, Reza Arefi, and Michael Lynch will attend this meeting as IEEE participants and are looking forward to enjoying a productive meeting in Jeju.

Sincerely,

Roger B. Marks
