

## Call for Comments on Project 802.16g Baseline Task Group Document IEEE 802.16g-05/008r2:

### *Air Interface for Fixed and Mobile Broadband Wireless Access Systems – Management Plane Procedures and Services*

**Deadline: 4 January 2006**

On 12 August 2004, the IEEE-SA Standards Board gave final approval to the IEEE 802.16 Working Group Project Authorization Request (PAR) P802.16g to develop a new amendment to IEEE Standard 802.16-2004, as amended by the future 802.16e.

The PAR <[http://iee802.org/16/docs/04/80216-04\\_35r4.pdf](http://iee802.org/16/docs/04/80216-04_35r4.pdf)> is entitled “Amendment to IEEE Standard for Local and Metropolitan Area Networks - Part 16: Air Interface for Fixed and Mobile Broadband Wireless Access Systems - Management Plane Procedures and Services” It has the scope:

*This document provides enhancements to the MAC and PHY management entities of IEEE Standard 802.16-2004, as amended by P802.16e, to create standardized procedures and interfaces for the management of conformant 802.16 devices.*

The IEEE 802.16 Working Group’s Network Management (NetMan) Task Group <<http://WirelessMAN.org/netman>> has been assigned to develop the draft. At the WG’s Session #40 in Vancouver, Canada, the NetMan TG voted to update the Baseline Task Group Document 80216g-08/002r1 with the resolution of the comments approved at Session #40 <[http://www.wirelessman.org/netman/docs/80216g-05\\_012r3.zip](http://www.wirelessman.org/netman/docs/80216g-05_012r3.zip)> and issue a Call for Comments on that document (see <<http://www.wirelessman.org/meetings/mtg40/report.html>>).

This Call for Comments requests input relevant to the Baseline Task Group Document IEEE 802.16g-05/008r2 <[http://www.wirelessman.org/netman/docs/80216g-05\\_008r2.zip](http://www.wirelessman.org/netman/docs/80216g-05_008r2.zip)>.

Submit your comments (with or without associated contributions) by the **deadline of 4 January 2006** following the instructions at <<http://iee802.org/16/docs/Commentary>> and <<http://WirelessMAN.org/submit.html>>.

Contributions should be included only if the Problem discussion and/or Proposed Remedy are so substantial as to require the contribution format for appropriate presentation. Any contribution shall be referenced by an appropriate comment.

Make use of the “NetMan” upload directory <<http://netman.WirelessMAN.org>> to post both your comments and any contributions. Comment files should be submitted in the name format ‘16gComments\_YourName.usr’. Contribution document naming format will follow the standard IEEE 802.16 naming convention using ‘g’ for the project designation, with the format ‘C802.16g-06/ijk’. Comments and contributions will be considered non-confidential and will be posted for public access on the IEEE 802.16 Web Site <<http://WirelessMAN.org>>.

This is not a ballot and no vote to ‘Approve’ or ‘Disapprove’ the document is appropriate at this time. This is a Call for Comments to improve the document and prepare it for Draft status.
