

IEEE 802.16.2 FINAL TASK GROUP REVIEW

Call for Comments on IEEE 802.16.2-00/01r9 “Coexistence of Broadband Wireless Access Systems”

Open: 8 October 2000

Deadline: 1 November 2000

Task Group 2 of the IEEE 802.16 Working Group on Broadband Wireless Access is conducting a review of Document [IEEE 802.16.2-00/01r9](http://ieee802.org/16/coexistence/docs/802162-00_01r9.pdf), entitled “Coexistence of Broadband Wireless Access Systems” [<http://ieee802.org/16/coexistence/docs/802162-00_01r9.pdf>](http://ieee802.org/16/coexistence/docs/802162-00_01r9.pdf). The intent of this Review is to finalize the document for Working Group Letter Ballot following 802.16’s Session #10 (6-10 November 2000).

In the Review, the Task Group invites comments on the document. Reviewers are encouraged to be thorough, specific, and concise so the next version will be ready for Working Group Letter Ballot. Anyone may participate in the Review.

To submit comments, please follow the detailed instructions in the 802.16 Document Comment Procedures (see [<http://ieee802.org/16/docs/00/80216-00_19.html>](http://ieee802.org/16/docs/00/80216-00_19.html) or the [PDF](#) version). Only comments following these instructions will be considered.

Take note of the following:

- Comments must be submitted using the [802.16 comment form](#) and emailed to the 802.16 reflector [<mailto:stds-802-16@ieee.org>](mailto:stds-802-16@ieee.org) with the subject line **TG2 Comment**.
