
IETF IPORPR (IP over Resilient Packet Rings) Status

Chairs: A. Herrera, F.Kastenholtz

IPoRPR WG Status

- WG in hibernation
- No WG meeting at the next IETF
- Re-Charter is with IESG for approval;
Plan is to address IPoRPR core functions first
then address extended functionality
- MIB work discussions ongoing;
Plan is to compliment IEEE efforts with IETF support
- Mailing list moved to IETF server
