IEEE 802.3 Operations Manual – Voting

[https://www.ieee802.org/3/rules/P802_3_rules.pdf]

■ 4.4.1 Voting at Study Group Meetings

Any person attending a Study Group meeting may participate in SG discussions, make motions and vote on all motions (including recommending approval of a PAR and five criteria) if the person feels qualified to do so.

Ground Rules

- **Based upon IEEE 802.3 Rules**
 - Foundation based upon Robert's Rules of Order
 - Anyone in the room may speak
 - Anyone in the room may vote
- **RESPECT... give it, get it**
- **NO product pitches**
- **NO corporate pitches**
- **NO prices!!!**
 - This includes costs, ASPs, etc. no matter what the currency
- **NO restrictive notices**

The Role of the Chair

- **Per the IEEE 802.3 Ethernet WG Operations Manual**
(http://www.ieee802.org/3/rules/P802_3_rules.pdf)

- The operation of the TF has to be balanced between democratic procedures that reflect the desires of the TF members and the TF Chair's responsibility to produce a draft standard, recommended practice, or guideline in a reasonable amount of time for review and approval by the WG. Robert's Rules of Order shall be used in combination with these operating rules to achieve this balance.
- The full responsibilities of the chair are specified in 3.4.3 Task Force Chair's Responsibilities.

- **Reminders –**

- We are a contribution driven organization. It should not be assumed by anyone that work will just get done without contributions to drive it. Areas not moving forward will be brought to the attention of the Study Group for consideration on how to address.
- Individual standards activities within the WG are, at the discretion of the WG, carried out by Task Forces (TF) operating under, and reporting to, the WG.
