### CU4HDD Study Group – Task Force Ad Hoc Minutes – 7-Jul-2016

Prepared by Dan Smith, chairman. Meeting started at 11:01 am MT and adjourned at 11:47 pm MT.

#### Agenda:

- Continuation of Draft discussion - Yong

#### Preliminaries:

Patent statement was presented with no response from the participants.

#### Discussion

- Discussed plot formats for figures - decided high-resolution bit mapped (bmp) is the most usable format.
- Discussed PICs formats - Dan to revise PICs to Yong for easier formatting in FM doc.
- Draft 1.2 will hand off to David Law on Wed, 13-Jul, as our deadline. This will enter a TF review period, closing on 22-Jul. Draft 1.1.5 was the Comment Resolutions plus editorial rollup granted at the June 27 Interim. Draft 1.1.5 and beyond require strict use of formal comments.
- Further discussion on editing role. Dan is agreeing to be comment editor with a chief editor in the background. Either Seagate or WD will offer a person to act as chief editor. Further management discussions need to take place before these decisions can be made.
