Discussion:

Mr. Jones walked the group through the highlights of the presentation.

It was noted that Scott Mansfield is coordinating YANG across IEEE 802.

Mr. Law noted that for future draft access across 802.3 he would work with Mr. Jones on an optimized path for YANG ad hoc participants.

Mr. Jones noted that he would put the document on an IEEE account google drive for collaborative purposes.

Mr. Mansfield asked Mr. Jones review the legal ramifications of this Open-Source project

Mr. Jones noted that in order to make progress he would be calling electronic meetings and those would be announced via the reflector and meeting coordinates would be on the 802.3 Call and Meeting Calendar: <https://www.ieee802.org/3/calendar.html>

Discussion concerning in-person and electronic interim meeting attendance concerning meeting registration fees.

It was noted that the earliest possibility for approval is the November 802 plenary meeting.

After completing the agenda Mr. Jones asked if there was any other business for the group, none responded

Meeting adjourned at 12:25pm.
